

# Nonimmigrant Visa Outreach

Project Title	Nonimmigrant Visa Outreach
Project Summary	Virtual students will work directly with U.S. Embassy Nairobi's nonimmigrant visa section. They will educate the section on how to effectively reach a majority of Kenyans interested in traveling to the United States.
Country	Kenya

## Project Description

Kenya serves as one of the main hubs in Africa for visitors going to the United States. A majority of African students and athletes originate from Kenya. The section hopes to provide virtual students with a robust portfolio, primarily encompassing outreach. At this time, the nonimmigrant visa section wants to educate visa applicants on the value of visiting the United States. Virtual students will help to tactfully and diplomatically reach a majority of Kenya's population.
